Removals & Storage

Because your move matters to us...

We handle everything with care...

Welcome to our removals and storage company, serving London and the surrounding areas for over 20 years. We are a locally owned and operated company that takes pride in providing high-quality removal and storage services to our clients.

Our Story

In 2003, Easyshipping Ltd embarked on a mission to make the moving process stress-free and hassle-free for families and businesses across the UK. With our humble fleet of 8 Luton vans and 5 HGVs, we set out to create a brand that stands for reliability, professionalism, and excellent customer service.

Our Commitment to Excellence

Since our inception, our commitment to excellence has remained unwavering. We understand that moving can be a daunting experience, and that's why we've made it our mission to simplify the process for our valued customers. With a strong focus on customer satisfaction, we've grown not only in terms of our fleet and infrastructure but also in terms of the trust and confidence that our customers place in us.

Our Services

Easyshipping Ltd offers a comprehensive range of services tailored to meet the diverse needs of our clients. Whether you're moving locally or across the country, our experienced team of professionals is dedicated to ensuring your belongings arrive safely at their destination. We offer a wide range of services, including domestic, commercial moving, storage, export packing, fine art and antique moving and international moves. We also offer unpacking and comprehensive insurance coverage to ensure the safety and protection of your belongings.

Moving Made Easy with Easyshipping

Domestic Moves

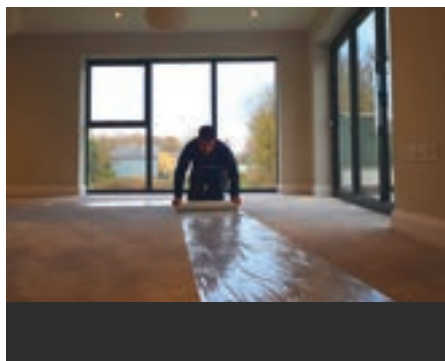

Our team of experienced movers are trained professionals who know how to pack and transport your belongings safely and efficiently. We have the expertise to handle all kinds of moves, from small apartments to large homes.

Moving can be a time-consuming process, but our removals services can save you time and hassle. We'll take care of everything, from packing to transportation to unloading, so you can focus on settling into your new home.

Moving can be a stressful experience, but with our domestic removals services, you can have peace of mind knowing that your belongings are in good hands. We use high-quality packing materials, and our trucks are well-maintained to ensure that your belongings are protected during transportation. We understand that every move is different, which is why we offer a range of services to meet your specific needs. Whether you need help with packing, transportation, or storage, we can tailor our services to meet your requirements.

At EasyShipping, we pride ourselves on our professionalism and customer service. We are committed to providing you with a high-quality moving experience, and our team is always on hand to answer any questions or concerns you may have.

Commercial Moves

Easy shipping provides expert commercial relocation services for business establishments of any scale and our office removals team is second to none. With over 20 years' experience in moving large-scale public, private and specialist organisation, we provide securely delivered services, specific to meet all your office move requirements.

Commercial moves are complex endeavours that require careful planning and execution to minimize downtime and ensure a seamless transition. Whether it is moving artwork, books, and other collections as part of a bigger commercial relocation, or moving whole hospitals, libraries, laboratories, factories, industrial or museums, we have an array of expertise.

Our expert moving team will help you identify any potential issues to minimise disruptions to your business operations in the time of change. We will work with you to meticulously plan and execute budgeting, planning, project management, inventory of assets, proper packing, clear labelling, special attention for IT equipment and data protection.

Our directly employed staff are uniformed, fully trained and security cleared to the highest level. Our fleet are tracked and we guarantee the protection and security of your assets at all times.

European Moves

With a wealth of knowledge and commitment to excellence, we provide you with a seamless journey from start to finish.

With years of experience in managing thousands of moves to the Europe, we possess a deep understanding of the unique challenges faced. From navigating customs regulations to coordinating logistics across borders, putting a realistic plan that works for you, managing inventories and documentation to packing tricky items and loading the vehicle in a stable manner for long distance travel our team has you covered.

Easyshipping, provides a Dedicated and Groupage (shared) load services to all key European destinations such as France, Germany, Spain, Switzerland, Nordic countries.

We believe in building lasting relationships with our clients. Throughout the process, our dedicated customer support team will be readily available to address any questions or concerns you may have. From pre-move planning to post-move follow up, we are here to support you every step of the way.

International Moves

Moving overseas with Easyshipping is as Easy as it gets. Our expertise ensures that your move is a success, no matter where you move around the world. Easyshipping's dedicated removals team will assist you in every single step of the way and guarantee a hassle-free international move.

Throughout your entire journey, your personal effects are taken care of to the highest degree. We offer professional packing and wrapping service including wooden crating for high value items such as piano, paintings and sculptures. Our range of shipping methods, dedicated containers, shared containers and Airfreight, means we can accommodate to your needs whether its your priority to save money or time.

Our network of overseas moving agents will handle everything at your destination with the same care and attention as we are in the UK. Your international removal agent will also handle all practical matters, details of import documents, customs clearance and delivery.

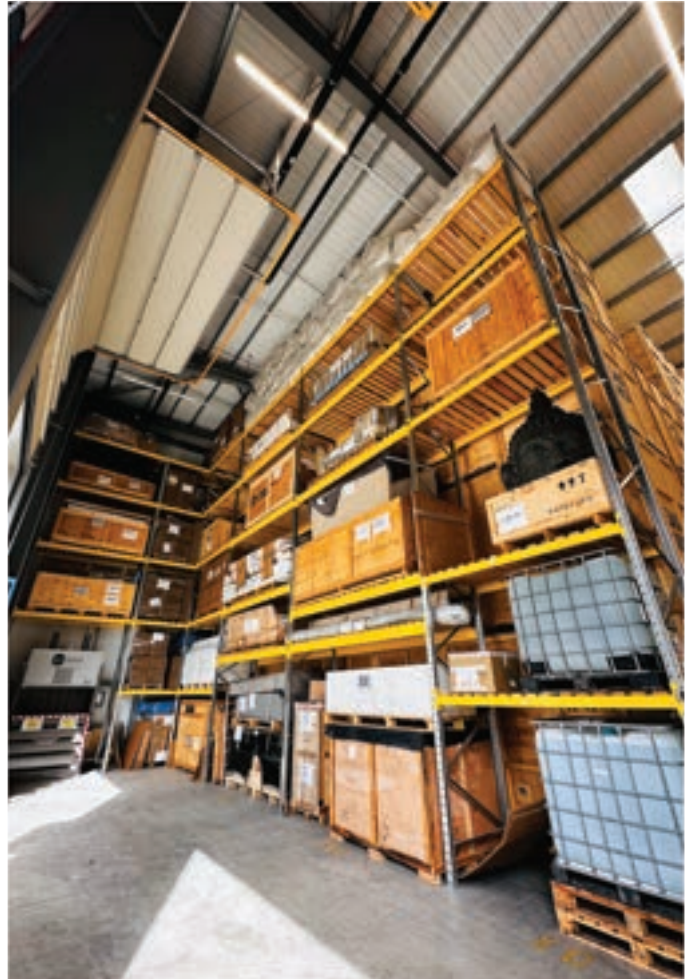

Get in touch with one of our international removal experts so that we can help you start to put together the necessary arrangements to ensure you're ready for your international move.

Easyshipping provides storage space and logistics for private individuals, commercial and trade companies needing cost effective, flexible and reliable storage solutions. Our brand new, state-of-the-art facility is located in Croydon, London and is equipped with security systems, including 24/7 video surveillance, electronic access controls and intruder alarms to ensure that your items are safe and secure with us.

We have employed permanent DBS checked staff managing our 14 500 sqft storage space 24/7, no matter the size of space needed our job is to provide you with the best service possible starting from high tech inventory management systems to handling, loading and unloading goods, taking in delivering on your behalf, we take away the time and stress involved for you.

We use industry standard wooden storage containers that have 250 cuft volume capacity (equivalent to a 35 sqft unit at a self-storage facility) that can be delivered right at your doorstep to be loaded for storage. So, whether you need items collecting from home, office or university – just give us a call and we will arrange the rest for you.

Export Packing

Easyshippin
Removal & Storage

FRAGILE

Easyshipping offer a professional, customised packing service suited to your own needs in packing your possessions ready for the move. Our export packing team are trained to pack anything – from a pin to a piano. All of our materials are carefully chosen to protect your worldly possession, we can pack and crate antiques, chandeliers, statues, paintings and any unusual items to provide the extra protection during the transport.

Our Packers are professionally trained and has a wealth of experience in packing to export standards and loading items onto trucks or shipping containers ready for long distance travel by road, sea and air. We only use high-quality packing materials, including heavy duty boxes, bubble wrap, foam, packing paper, acid-free tissue and heat-treated timber crates that are compliant to exporting items to different countries.

We can advise you further on our export packing services during your free home survey or at any time during your move.

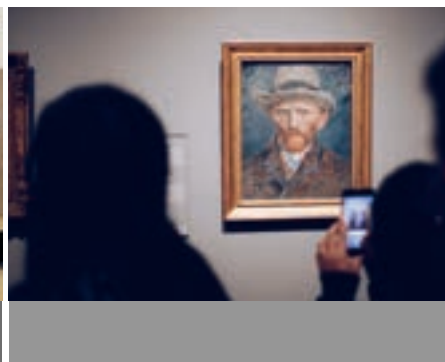

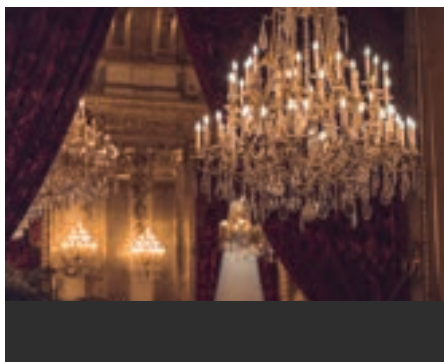

Fine art and Antiques

Our moving teams specialise in both moving antiques and fine arts. Over the years, we have successfully moved an extensive range of specialist items including grand pianos, grandfather clocks and fine arts, sculptures and statues.

We understand that these precious items are extremely valuable to you and our expert art handlers carry out a white-glove service to take the utmost care and attention and respect to ensure there is no damage upon arrival at destination. At Easyshipping we understand that no two items are the same, hence why we offer customised moving solutions tailored to your specific item. We have specialised not only in private homes but in London auction houses, museums, library and heritage sites.

Our teams have also been fully security cleared to offer you the ultimate peace of mind and we take a personal approach to every one of our projects, so please call our office for a free quotation.

Furniture Hoist

Easyshipping Furniture Hoist is a perfect solution for any large items or furniture that do not physically fit through the normal access of the property can be effortlessly moved to your required floor level. We offer our services to removals companies, offices and private individuals. Our team of experts will meticulously plan each project before bringing the machine to your site. Our well trained and experienced operators can almost move any bulky item into those awkward places that can be a challenge to move the usual way. Our lifting equipment has the capacity to lift up to 400 kg and can reach a height of up to 45 meters (equivalent to 10th floor level). With a very easy installation and take down method your item can be lifted safely and quickly to the desired level. The machine is electronically controlled and can be fitted to almost any property with enough space. We service in and around London including Greater London areas but not limited to. – our friendly team will be happy to help your move with ease.

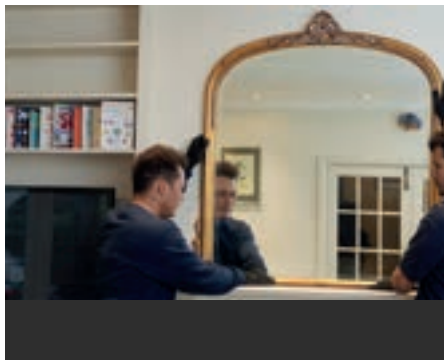

Unpacking Services

Moving into a new home can be exciting, but it can also be stressful and time-consuming, especially when it comes to unpacking all your boxes and organising your new space. That's where we come in! Here's what you can expect from our unpacking service.

We have affordable prices to suit every budget big or small. Whether to unpack to surface or into the cupboards we cover all aspects of the service. Choosing an unpacking service will save you're the stress and time while we take care of the boring bits. As glass, china and other breakables will be professionally wrapped by our specialist packing teams. Our unpacking team will carefully place your items in your new space as per your instruction.

We can also dispose or recycle all your packing materials, including boxes, bubble wrap and packing boxes, so that you don't have to worry about cleaning up after the move. Contact us today to discuss your complete move service!

Insurance

Removal, storage and shipping insurance coverage provides protection to all your valued possessions against losses and damages whilst in storage or transit due to fire, theft or any other unforeseen circumstances. It is an essential part of the moving process and a factor that can provide the most peace of mind and is worth the added price.

We offer flexible coverage options to suit your specific needs and budget, including full-value protection, which covers the full replacement value of your items.

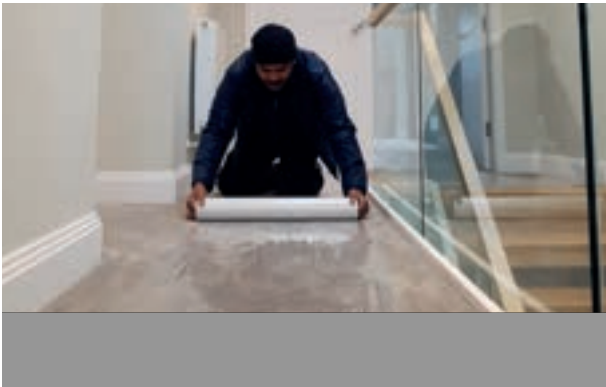

In the unlikely event that you need to make a claim, our claims process is easy and straight forward. Our team will guide you through the process and provide you with all the necessary documentation and support to make your claim as smooth and hassle-free as possible and at Easyshipping, we are committed to providing you with highest level of service and protection for your belongings.
